

RESERVE COLLECTION

NECTAR RÉSERVE

Luscious and fresh

NECTAR RESERVE reestablishes the tradition of great desert wines. A generous dosage allows to reach a perfect aromatic expression.

Ample and creamy on the palate, the wine also possesses an elegant acidity that adds a very fresh character to this delicious champagne.

A real explosion of fruity notes: apricot and pear combined with the exotic notes of mango and caramelised pineapple, subtly enhanced by a citrusy touch of pink grapefruit.

THE ART OF CREATION

Chardonnay : 45-50%

Pinot Noir : 30-35%
