

RESERVE COLLECTION

ROSÉ RÉSERVE

Exceptionally fruity

ROSE RESERVE is a champagne of unique character. This outstanding blend is enriched by a solera of red wines vinified in oak barrels, a very special vinification process that gives birth to a pink champagne with exceptional fruitiness.

The intense nose is dominated by lively aromas of wild strawberries, red currants and black currants, delicately enhanced by spicy notes of cinnamon and vanilla. On the palate, the wine is fresh, luscious round and persistent, with fine and delicatly tannic bubbles reflecting the same fruity elegance.

THE ART OF CREATION

Chardonnay : 40-45%

Pinot Noir : 40-45%
